Warehousing And Packaging

To store our wide range of products, we have established clean and safe warehouses at our premises. These stores are fumigated by pests at regular intervals to prevent damage. Moreover, the facility of customized packaging is also provided to the clients as per the needs and requirements of the clients.

The packaging is being done in such a manner that it retains the freshness of consumable items for a longer duration of time.

**Following
are the facilities
available with
our unit:**

Well fumigated and maintained

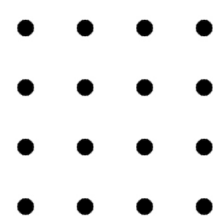

Termite and rodent free

Capacious and well organized

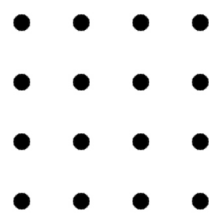

Customized packaging

Well connected to different modes of transport

Fire safety arrangements
